PROFESSIONAL SUMMARY

Dedicated and highly motivated fourth-year Software Engineering student at Debre Birhan University with a strong passion for full-stack and mobile application development. Skilled in building responsive web applications and solving real-world problems through technology. Possesses excellent teamwork, communication, and problem-solving abilities, with a commitment to continuous learning and professional growth.

TECHNICAL SKILLS

Programming Languages: JavaScript, PHP (Basic)

Front-End: HTML5, CSS3, JavaScript (ES6+), React.js

Back-End: Node.js, Express.js, MongoDB

Tools & Technologies: Git & GitHub, Postman, Figma, Visual Studio Code, REST APIs

Soft Skills: Problem Solving, Teamwork, Communication, Adaptability, Time Management, Continuous Learning

EDUCATION

Bachelor of Science (BSc) in Software Engineering

Debre Birhan University, Ethiopia

Fourth-Year Student | Expected Graduation: 2027

EXPERIENCE

Tech Club Member – Debre Birhan University (2024 – Present)

- Participated in student-led software development projects and technical workshops.
- Collaborated on front-end development tasks and project implementation.
- Gained practical experience in software development methodologies and teamwork.
- Enhanced problem-solving and communication skills through project participation.

PROJECTS

SweetBee Honey Shop – Developed an e-commerce web application using HTML, JavaScript, Node.js, and MongoDB.

Portfolio Website – Developed a personal portfolio website to showcase projects and technical skills.

Academic Software Projects – Completed projects involving web development, database design, algorithms, and system analysis.

CERTIFICATIONS

Online courses from Udemy, SoloLearn, and other self-paced software development platforms.

ADDITIONAL INFORMATION

Passionate about Full-Stack and Mobile Application Development. Quick learner, self-motivated, and eager to contribute to innovative software projects and gain professional experience.
